

# Fowler

## Inch/Metric Dial Depth Gages

Fowler's new, Inch/Metric Dial Depth Gage gives fast, accurate and easy to read depth measurements with inch graduations in black and metric graduations in red.

- Graduations .001"/.02mm.
- Hardened stainless steel throughout.
- Positive locking screw.
- Thumbroll for rapid setting.
- Beam .630" wide and .128" thick.
- 4"/100mm Length Base
- Raised sliding surface prevents wear and defacement of graduations.
- Price includes wood case.
