

Adjustable main
scale control.

First choice for an all-around Height Gage design, this series offers every feature to help make your work very fast, easy and extremely accurate.

Special Features:

- The adjustable main scale has a full $\frac{3}{4}$ " adjustment range. You can quickly "reset" zero or any reference figure at any point for easy reading without special calculations.
- Swing-away magnifier plus extra long vernier scales with wide separations in inch and metric for exact and precise reading.
- Ultra-smooth fine adjustment mechanism.
- Carbide tipped scribe is offset for direct reading over the full range of travel.
- Satin-chrome finish on all scales and plates for glare-free reading. Raised lands on main scale surfaces prevent friction wear.
- Beam & slide of hardened stainless steel base and measuring surfaces all hardened tool steel, carefully ground and microlapped.
- Price includes Height Gage, carbide tipped scribe, magnifier and fitted box.
