## Scriber, Automatic Center Punches & Magnet

▲ Left to right: #52-500-000, #52-500-020 & #52-500-010.

Features-#52-500-000, 010, 020, 030.

- Pocket-sized scriber, automatic center punch and magnet come with a convenient clip. Overall length is 5-6".
- Tools protected by a blue anodized housing. Textured handles for non-slip gripping.
- The tungsten carbide point for Scriber #52-500-000 is retractable and replaceable.
- Adjustable compression built into Center Punch #52-500-010 allows for different types of material. Replacement points available.
- Pocket Magnet #52-500-020 features a plunger release to de-energize magnet when not in use. Picks up small parts and clips from holes and recesses.

▲ Left to right: Automatic Heavy Duty Center Punch #52-500-275 and Super Heavy Duty Automatic Center Punch #52-500-290.

Features-#52-500-275, 290 & 295:

- Handle constructed in steel. Four knurled bands provide a sturdy grip.
- Moveable components are made from tool steel and hardened. The point is easily removed for sharpening.
- The pressure of marking is controlled by rotating the knurled cap. Screw the cap down for heavy indentations and screw the cap upward for lighter markings.
