

Fowler

Jeweler Wrenches

▲ Open end wrenches #52-490-001

▲ Nut driver wrenches #52-490-000

Fowler's Jeweler Wrenches are useful miniature tools used by tool-makers, machinists, assemblers, technicians, repair personnel, optical and electronic industries, machine shop or model makers.

Features—#52-490-000 & 001:

- Jeweler Wrenches have knurled chrome-plated metal handles.
- Heads hardened and tempered with black parkerized finish. Carbon steel heads.
- Jewelers' open end wrenches #52-490-001 are used for working with small nuts and bolts.
- The Hex Wrenches (nut driver set) #52-490-000 fit a wide range of small fasteners with hex hole heads.

Order No.	Tap Size	Capacity	Handle Length
